Hi there! I am looking to start providing drop in care for all age children. Are you looking for a back up to your regular care? Do you only need care a couple days a month? Im flexible with days/hours. My typical hours are 730 to 5 Monday through Friday but I am open to some evening and weekend hours.Â I am also looking for one FT family.

I have over 20 years child care experience from Lead Teacher in every age group classroom to Assistant Director at a non profit center to a nanny to home daycare. Daytime rates are \$40 per day. Evening/weekend rates \$50 for 5 hours or more or \$10 an hour. Will consider overnights for \$65.

I will provide food (mostly organic/natural). My basement is set up as a daycare and i have a completely fenced in yard. I have two boys myself (4 and 16). Please feel free to message me with any questions!
