QR Code Link to This Post We are looking for a drummer to add to our current line up. We play Pop, Classic Rock (60's, 70's, 80's, and 90's), Funk, Blues, and Classic/Modern Country. We play out 3 - 8 times a month at casinos, corporate events, weddings, fairs, and clubs. Must be able and willing to travel as well as rehearse as needed. We all use in-ear monitors, and have an endorsement with a company should you need to purchase a set. We also play to a click track, so please be click ready. Vocal abilities a plus. Looking for someone who is, or appears, to be 21 - 40 years old.

We are a fun group of musicians who like to put on a great show, and have fun doing it. Looking to get someone trained in ASAP.

Please let me know if you have any.
