QR Code Link to This Post Nika is a lovely lady who is approx 2-3 year old & weighs 55lbs. She is somewhat timid and shy around new people, but is sweet as they come! There are no issues in her foster home with the other dogs or any aggression towards them or people. Playing a game of chase with one of the other dogs is one of her favorite things to do! Nika loves her daily walks with her foster mom and the other dogs. She's done really well on recall, but is watched closely. An active household would be a plus for Nika.

Nika is spayed, UTD on vaccinations, HW negative and is housetrained.

She is available for adoption through the K9 Rescue of Faribault County. We are a 501c3 rescue

Adoption fee \$185
