QR Code Link to This Post Need a logo designed? I'll be glad to help! All logos only \$80. No extra or hidden fees.

I have several years of experience focusing on logos and can pretty much design a logo for anything that needs one. (Companies, stores, bands, teams, clothing lines, etc)

I also design Business cards, flyers, brochures, invitations, postcards, and more

All final logos include a high res vector copy you can use for all your web and printing needs.

Shoot me a message and I'll gladly send you previous work I've done.

Thanks for looking and I look forward to working with you!
