

Need Dandelions (seeds or beds) will come and remove myself (28th Street, Gulfport)

Location **Mississippi**
<https://www.genclassifieds.com/x-787991-z>

QR Code Link to This Post I am looking for dandelions and/or dandelion seeds to execute a little romantic idea I had. If you know where a dormant bed of dandelions is on your property, I will come remove a section of it from beneath the surface. If you know anyone with seeds, PLEASE point them towards me. My name is Mallory Blanchard, and you can text or call me at .
