Welcome to Juniper Court Apartments. We are located near the 12th Ave and Greenhurst intersection. We're one block behind the Nampa Rec Center of S Juniper St. Residents of Juniper Court Apartments are immediately provided with the convenience of grocery stores within walking distance from the moment they move in. Each bedroom apartment has spacious living space. These are not your typical one and two bedrooms. Most are surprised by how large the living rooms are. Each bedroom has its own closet and base board heaters with separate controls. The largest bedroom has a walk-in closet.

The bathrooms and laundry rooms are conveniently spaced out. There is shelving above the washer and dryer in the laundry room to store extra items. The vanity and mirror are separate from the shower room with spacious counter space and cabinets.

The kitchen and dining space are just off the living room. The kitchen features a full size dishwasher, refrigerator, stove/oven and a garbage disposal. There is a good amount of cabinet space as well.

At Juniper Court Apartments, residents are responsible for 100% of the electricity and w/s/t.
