QR Code Link to This Post I need to borrow a specific item TODAY that is available only at Palatine library; but for this item, the library will not accept cards registered with them from OTHER libraries (mine is Arlington Heights).

I can't think of anyone in Palatine that I know who has a Palatine library card. It's only because of the library's requirement that I can't just go there and check it out myself. I am a member in great standing with the Arlington Heights Memorial Library, and guarantee the item will be returned before it's due!

If you or someone you know has a library card from Palatine Public Library, please e-mail me, or leave me a text or voicemail at . I'd be more than happy to meet with you, introduce myself, and answer any questions. Thanks a!
