QR Code Link to This Post Selling really nice set of foose 18" wheels and tires, tires are in poor condition
Wheels still look really nice only a couple small curb scratches, originally paid
Over \$1600 for this set, still the original tires that's why is time to replace them
Lug nuts included, not sure what other cars they will fit I had them mounted on a
Honda Accord, bolt pattern I believe is : 5x114.3 selling for \$400 obo
