QR Code Link to This Post My family and I are looking to ad another member! We are ideally looking for a large breed male, housebroken, must be good with other dogs (we currently have 2 females) and must be good with kids of all ages. We live on 10 acres of land with a nice big yard. I'm a former veterinary technician with years of experience and I'm now currently a stay at home mom. So my pets are never left alone for long hours. If you have a dog that needs a new home and think we sound like a good fit please email me! I'm happy to answer any further questions you may have.

Thank you!

We live in NH but are willing to:)
