It's still like nearly new inside! In excellent condition!!! Extra Arctic package which is fully insulated in the bottom and has electric heaters in the septic tanks.

3 Slides. Everything works perfectly. Non-smoker. If you need a place to live or just to camp this is a great unit. Needs nothing but a new owner. It has a branded title because of a theft recovery. It's ready to go. Asking \$12500 If you know about Monaco they make some of the best motor homes money can buy.
