Beds made

All areas dusted

Picture frames dusted

Light, straightening completed

***all ceiling fans dusted (long as it is reachable)

***sliding glass door cleaned inside and out if not restricted by a dog

Items will be dusted with a extension duster

I cannot move furniture, but I will try to reach any visible places either by hand or with an extension duster.

Many homes have at least one chandelier or vaulted ceiling fan that I cannot reach by hand.

Please allow for some dust resettlement after I leave, I try to limit the dust in the air but cannot prevent this entirely
