You must play or have someone play for you. You can sing covers or sing originals you write ..It's mainly for original music but I realize not everyone writes so you are welcome to sing a cover song .. If I can I will let everyone do 2 songs a piece. There will be a sign up sheet at the door for people who do not pre sign up at the link below.. I have hosted these type of Songwriter events all over the U.S. and I am a huge supporter of encouraging the Local Music Scene of ANY Genre. I am a professional that is managed by a huge manager out of Nashville Oklahoma and Texas as well within a week I will be signed with a publisher in Nashville so I am always scouting for new writers or artists who I can mentor or help.. I have opened shows for everyone from Blake Shelton to Montgomery Gentry and 40 more.. The event will be Sunday Dec 17th from 4 pm to 8 pm. All ages are welcome. This is a fun laid back event for everyone to be able to come to and enjoy. It doesn't matter if you think you are good or bad come and have fun! This is a chance to share with others meet future co writers or other music people. We are all in this together this is the time to encourage each other! Bring the whole family and your instruments to JB Malone's !!!

If you can please try to bring a couple of fans or friends so we can all support one another.. You can pre sign up here by sending a message in the event link to Gina
