I've been caring for children of all ages in my home for 20 years. I will care for your child/children as if they were my own. My schedule is flexible to accommodate your busy schedule. I have full-time and part-time Monday thru Friday 1st shift openings available for ages 6 months to age 5. I am First Aid and CPR certified. I have excellent references. I have a clean background check on file with Starting Point. My home is smoke-free. My rates are very reasonable, cheaper than any day care center, and sibling are only \$10 more per day.

I have been in your shoes and I understand how important it is to find someone with similar values and expectations as your own when searching for child care. I have three children that are young adults now. Your child/children will not have to compete for my attention from my own children, they will have all my attention. Also, please take comfort in knowing that your child/children will not be transported anywhere, once you drop your child/children off this is where they will stay until you pick them up. I love caring for children and I am committed to helping them achieve the appropriate milestones of development for their age. I will also provide them with a loving, safe, fun, and nurturing environment. You can expect nothing less from me. That is my promise to you.

Always Reliable, Always Trustworthy, and Always Professional.

(I do not provide transportation or accept vouchers)

If you have any questions, please don't hesitate to ask. I look forward to hearing from you.
