QR Code Link to This Post My buddy and I are renting out two of four bedrooms. One is a bit bigger than the other. House is very new for the area. Build I believe in 2004. Tons of local restaurants and bars within walking distance. We have 5 months left on our lease and would like to be able to split rent up a bit. Please contact me for more info! Also feel free to see street view and other details on zillow. Thank!
