Cats and kittens from Columbia Gorge Cat Rescue are spayed/neutered, up-to-date on vaccinations and tested for FIV/FeLV. Kittens are adopted to the best home, not necessarily the first home. No holds or pre-adoptions. Occasionally there will be a bonded pair of kittens that must be adopted together.

All kittens must either go home to another pet (cat, dog), or be adopted with a litter mate. Adoption fee for one kitten is \$150. Adult cats \$75 adoption fee.

Adoption requires approval of application by an adoption counselor. Some age restrictions may apply. Please bring a pet carrier or be prepared to purchase one at Petco.

**

The Columbia Gorge Cat Rescue is a small organization. All cats and kittens are placed in foster homes (there is no actual shelter), where they are socialized and well cared for until they are ready for adoption. Please consider adding a donation to your adoption.
