QR Code Link to This Post Hello,

Call us anytime.

Short notice is usually OK.

We are very experienced at this, and we are open seven days a week.

We have had many court-ordered volunteers, or for college, over the last 7 years, and always make sure to provide a professional letter to volunteers.

This is considered fundraising, which is an acceptable duty.

If you want to hold a quick fundraiser event, car wash, rummage sale, etc., or if you have a way to donate, we are happy to answer any questions.

We would like to help fund our current programs, and it is raising or donating, \$12 for each hour you need documentation.

So, you raise \$12, for each hour you need.

We are a non profit, who helps people with disabilities, family problems, and more.

We have had many court volunteers in Oregon, and all of our letters of documented hours, were accepted by the courts, immediately.

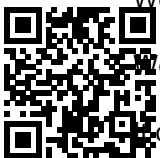

We prefer to take care of people who receive help immediately.

It does not have to be the first of the month, just that you are in community service.

Funds are used for service for the people in our area, such as cleaning, driving, etc.

We will provide all information you want to know, about the process; our information etc.

Call us anytime usually between 10 AM and 7 PM, seven days a week.
