We are courteous, punctual, well dressed jazz musicians who will set up ahead of time, and play all the wonderful warm swinging songs of yesterday. We play a traditional style; non-experimental, within the jazz sounds of the 1940's -60's.

We are led by myself on guitar, along with upright bass, and your choice of saxophone or drums, or both.

We have played at thousands of events and venues including some of New York's most prestigious rooms: The Flatiron Room, The Rainbow Room at 30 Rockefeller Ctr, The Knickerbocker, The Chelsea Improvement Co., The New York Hilton, The Harmony Club, The Grand Street Bid, Smalls Jazz Club, Tomi Jazz, as well as countless organizations, corporate events, and weddings.

Please enjoy music samples at the links below:
