QR Code Link to This Post Windows 10 can be the edition of your choice: Home, Pro, Enterprise, or Education. (Provided w/ activation serial*) Microsoft Office Pro Plus is included in the price. (\$100 + value) I'll also throw in 1-2 Creative Cloud programs of your choice. No monthly trial, everything is permanent upon installation. We can keep your files! (*Longer process), but I honestly prefer to do a clean install from scratch. I also can upgrade you from any previous windows platform as well. We can also keep in touch to make sure you're updated and always have the latest software on the.
