

QR Code Link to This Post I'm organizing an upscale party for my friend and I need to hire some pretty girls who are comfortable dancing as well as serving food and drinks. Please email for more info. Please be comfortable topless or in sexy clothing. Pay will be 300+ for 2-3 hours of your time. Please change the subject of the email to your bra size so I know you're serious and have read this. The party will be after Christmas and at an upscale location. I hope to hear from you soon..
