QR Code Link to This Post We're a 3-piece progressive band looking for a singer (screaming is a plus) for composing, recording, and playing shows soon. We're 21, 21, and 28; we just don't want a huge age gap. The most important thing for us is collaboration. We're all invested and involved in each other's parts, and we'd love to get more passionate members like ourselves.

We like: vocal harmonies, lead guitar solos/melodies, some screaming, dynamic songwriting, odd time signatures

We already recorded bass, guitar, and our drummer programmed drums for two demos so far. Have a listen, and shoot us a text/email if you're interested:
