

Stainless steel side

Location **Texas**
<https://www.genclassifieds.com/x-790695-z>

QR Code Link to This Post Stainless steel refrigerator. Side by side with filtered water and ice from the door. Used. Fair/good condition. Some cosmetic flaws. Door handles removed in image for cleaning but are easily put back on. Left them off for easier transport and positioning. Has been in storage. I have cleaned the inside and left doors open for about a week. Works great. Priced to sell quickly. You must arrange pickup. I do not have a truck.

Height 70
Width 36
