QR Code Link to This Post Needing a lady willing to sell selfie pics. Facial shots are not necessary (pay extra for them), just body shots...some nudes would be nice but not necessary. Some casual, some revealing to very suggestive if you are willing, cleavage and bum shots are desired. Need someone in the late 20's to late 30's...average build and height, does not have to be model perfect... needing someone with that real apperance. Tatoos cannot be seen, prefer shoulder length hair , but does not have to be. Payment can only be sent through paypal, so model must have an account. Looking to spend \$50 to \$100, wanting to avg \$1.00 per pic.
