QR Code Link to This Post Up for sale is a brand new Black Diamond 'Storm' Headlamp - 350 lumens. I opened the box and installed the batteries. It is too bright for me so I'm getting a different one. Price is \$35. Price is firm. Can't deliver. If the ad is up, the item is still available.

## DESCRIPTION:

Our rugged, fully waterproof workhorse for foul conditions and big adventures, the Black Diamond Storm Headlamp now features 350 lumens of power and three different colored night vision modes. The redesigned lighting profile offers improved peripheral lighting for close-range activities like cooking, reading or sorting gear, and the Storm also features our Brightness Memory, which allows you to turn the light on and off at a chosen brightness without reverting back to full power. Eight different lighting modes allow for fully custom lighting in any situation, and our PowerTap Technology makes for instant brightness adjustments.

One QuadPower LED and one DoublePower white LED emit 350 lumens

Red, green and blue SinglePower LEDs for night vision have dimming and strobe settings and activate without cycling through white mode

PowerTap<sup>®</sup> Technology allows instant transitioning between full and dimmed power

Brightness Memory allows you to turn the light on and off at a chosen brightness without reverting back to full power

Sleek, low-profile design uses four AAA batteries

Settings include full strength in proximity and distance modes, dimming, strobe, red, green and blue night-vision, and lock mode

Waterproof and dustproof: Sealed housing withstands immersion up to 1m for 30 minutes (IP67)
