Hello,

We are very experienced at this.

We have had many court-ordered volunteers, or for college, over the last 7 years, and always make sure to provide a professional letter to volunteers.

This is considered fundraising, which is an acceptable duty.

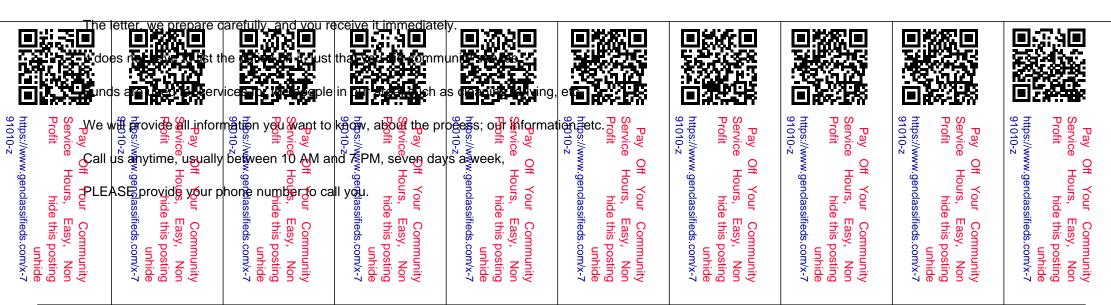

If you want to hold a quick fundraiser event, car wash, rummage sale, etc., or if you have a way to donate, we are happy to answer any questions.

We would like to help fund our current programs, and it is raising or donating, \$12 for each hour you need documentation.

So, you raise \$12, for each hour you need.

We are a non profit, who helps people with disabilities, family problems, and more.

We have had many court volunteers in Salt Lake City, and Utah, and all of our letters of documented hours, were accepted by the courts.

PLEASE tell us how many hours you need, and by when do you need to be finished.
25 hour minimum.
Minimum age is 18.
Thank.
