QR Code Link to This Post A local photography/production company is looking for new faces (and beautiful bodies) to feature. This is an adult shoot which will include nudity and erotic images/video. Pay for new/experienced models generally ranges from \$500 to \$1000 paid in cash following the shoot. A model release is required and you will need to bring a valid photo ID. Please reach out with interest.

We are looking for the most beautiful faces of TX. Female models only. No experience is required but is preferred. HWP only, looking for the 'summer body' appearance, so you should appear fit and in good health. Please submit several images of yourself for consideration along with contact details and availability, include all social media (snapchat, instagram, Facebook)

I have a few spots available this weekend and some next week, reply asap and maybe we'll get you started!
