QR Code Link to This Post Good Morning,

I am a stay at home and homeschooling mother of 3 in my home in Richmond, VA. I am currently offering babysitting as early as today. I can do overnight on an as available basis. I have references from several pastors and business owners as requested.

My children's ages are
 2 boys ages 5 and 7
 and 1 baby girl age 3.

My background is in nonprofit mostly. I have worked for FeedMore, Childsavers, Salvation Army, Boys & Girls Club, as well as co-creating a nonprofit and a homeschooling group out of Mechanicsville.

My car was recently totaled a few days ago by a driver and I am now awaiting their insurance to cover cost. However, in the meantime I must still be actively working so I am opening my home. Depending on the situation, this may become long-term as my children would love to have other children to play with.

Our household enjoys, learning, dancing, reading, walks, we have a piano, I am a singer, we love fruit and vegetables and have toyed with veganism and vegetarianism, meaning we like to practice healthy living. However, please note we are not 100% vegetarian so I can feed your child whatever you desire~

Please email me if you are interested. Rates will be discussed through email.

Thanks so much, and I hope you all are having a wonderful day~
