QR Code Link to This Post Got this for the girlfriend a while back and she hasn't done anything for cleaning out this tank. I've been the one to do it and I'm tired of it. So since she can't live up to her end of the bargain this has to go. Comes with 2 tanks. A smaller tank I used for putting her in when cleaning the main one she's in.

Her main tank is a foot wide 30 in Long and 19 inches high. The cleaning tank is 10 and a half inches wide 13 inches high and 20 in long

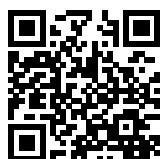

Rehoming fee \$50 firm! Text works best no.
