QR Code Link to This Post I have a huge favor to ask. I'm running out of ideas who to ask but a friend of mine came to visit me and got hemmed up and ended up in jail. I have her bond but i need a cosigner with a payroll job. I currently work under the table so they can't use that. This is her first time in trouble and she will make her court dates and everything. I know she broke the law but i don't want her to sit in county waiting for something. If she's out she can take care of everything she needs to make it right. Please don't respond if all you have is negative remarks. They are not helpful.

Any ideas or help please send my way thank you!!
