I keep thinking I will get time to do this myself but it still is not done.

I have deck repair, framing to do, plumbing, electrical, paint work, windows repaired or replaced, gutters hung, furnace cleaned and fired up. I have a lot of work if you are a craftsman at what you do. I want to be able to show and tell you what I want and you do it. You must have your own truck and tools and if you use a helper that is your responsibility and not mine.

PIEASE respond with your EXPERIENCE in what you are very good at doing and give me your contact information. Otherwise I will not respond.......

I will call you to set up a meeting with you IF YOU SOUND SERIOUS & PROFESSIONAL.

I AM ONLY LOOKING TO TRADE FOR MATERIALS and.
