QR Code Link to This Post I am looking for someone to help me assess and get my Heater Lit and working. I have 2 units on my roof...package.

These heaters are very old package units but it works for heat cooling is toast. Might have a small leak so need someone who can help me fix it and ensure its good.

OBJECTIVE: Get Heater lit and working for rest of this year till I can get it replaced.

I can afford \$30-\$40 to help me depending on the degree of the problem....

TEXT me the following:

1. Name Age
2. Experience and tools to do the job.
3. Available.
