QR Code Link to This Post I run a small appliance repair company and I have many appointments that I am not able to fill. If you are a fully licensed and an insured proprietor I will split my booked jobs with you for a small 35% commission (not including the cost of parts). I get jobs for commercial appliances and high end residential units like Viking and Sub Zero as well as standard units like Maytag. I have jobs on standby now and at least 2 available everyday.

If you are NOT licensed do not contact me, I am not interested. I cannot hire anyone at this time. But if you are and you are interested please contact me at the email listed, text or call
