QR Code Link to This Post The last person that worked for me was not a great one. Guys I am searching for a good house cleaner. It will be better if you're a male. Just my preference....

Are you in college needing to make extra cash? Do you like to clean? We could be a great match. I need somebody with an automobile and can do the job at least once a week. Gay friendly as well! Hit me up for details but want to find someone immediately. Cleaning would take 1-2 hours and would consist of the kitchen, bathroom, dusting,.
