QR Code Link to This Post I have a 99 gmc sierra 1500 5.3l for sale! Or trade it has 198K on it.. pros runs amazing always starts and goes.. 4wd works amazing. Tunnel cover long box...cons few cracks in the frame that the previous owner tried to repair never messed with them just drove as is...just drove all the way to Colorado last summer with my dirtbikes in the back didnt have any issues has a cracked windshield from the tunnel cover blowing up when I forgot to latch it.. Has alot of rust but still works amazing... Used it as work truck reasons for selling is I am looking for either 1500 cash obo or trades let me know what u have looking for cargo
