QR Code Link to This Post Marshall is a 2 year old pit mix. His birthday is may 16th. He is house broke and crate trained. He loves to cuddle and give kisses. He is fixed and microchipped. I have papers for all of his shots. He is good with cats and dogs, just no young kids which is why I have decided to re home him. This is a decision i have been wrestling around with for awhile so I will not let him just go to anybody. I will need to be reassured he will go to the perfect home where he will be spoiled with love and attention. He would be great for an older couple with kids that are already grown. Small fee to ensure good
