Kentucky Location https://www.genclassifieds.com/x-792091-z

QR Code Link to This Post I have spaces available for before/after school care in my Lebanon home. I can get children on & off the bus. I will provide meals & snacks as needed. I have references from past and current families in addition to CPR & First Aid training. My home is smoke free, clean, safe, and fun. We enjoy playing outside when the weather permits. We have three fluffy feline friends as well! Please contact me for rates or with any.
