QR Code Link to This Post She is starting to talk, she is very handleable when off her cage. Will take food from your hands when in or off of her cage. Over all a good girl.. That just will not stay on her cage and begs for food whenever you are eating. She is on mainly zupreem natural and fruit flavored pellets. She also eats many people foods. She is water bottle trained. Open to trade offers. She is banded and 2 yo. Only interested in smaller parrot or 700 cash. We have moved to a much smaller place and running out of.
