1st off I want to say thank you for opening this. However, if you want this to work for us, then indecisiveness will not be tolerated beyond 48hrs. I am 34, attractive, white, need an attractive white female to run this place when I am gone working. What I don't need is for a female to take forever and a day to figure out where she is living in the next 3 months. It's not that hard ladies. Yes the internet became your gold for playing off everyone. Yes I figured that for myself and no I don't tolerate it because I was raised differently. If I detect you playing me off then you will be disqualified from consideration without notice. This is your time to be a big girl in order to make a choice. If you msg me, I expect you to know what you want and to be reasonable about it. I can do both Platonic or a Relationship. I understand that you women have needs just like anyone else. I have a decent room to offer inside my RV price range \$250 to \$350 per month. This includes electric and water. I am parked in a huge RV resort with countless amenities. I have more work than I can handle and its mostly all light-duty projects. Maybe you need a new job, or extra work? Emails are not allowed. Orange City, Florida, Volusia County.
