All items are sold for their collectible value only and you must be at least 21 years of age to purchase. These collectible unopened bottles would be great to decorate any bar.

Price list and descriptions are below. Offers considered. Also discounts will be considered for purchasing all or when buying multiple bottles. (To answer questions in advance about discount, I'll do 10% off any 1 bottle, 15% of 2 bottles, and 20% off 3 or more.) As bottles sell, each will be marked SOLD otherwise the bottle is still available.

They were part of an estate sale from whom we knew the owner well. These bottles have all been stored at a residential basement bar that appears like it was just frozen in time. Even the fridge was stocked with pull tab pop cans and such! ðŸ˜Š. Our guess is these are from early 1980's.

Any information provided is an unprofessional best educated guess based on limited research and knowledge.
