QR Code Link to This Post We have about 30 left of these cubicles. They are from 2012 and are in great condition.

They are from a large defense contractor who buys high end. They original cost around \$3500 per station.

We can do 6x6, 6x7, 7x7, 7x8, 8x8 etc sizes. They are 68" high.

Price includes 1 overhead, 1 set of drawers, desktop, and walls. Electric is about \$50 per station extra.

We can install these right away. They are broken down and stored in Dayton, Ohio right off Springfield.
