About the product:

High-Density Soybean Foam-Core - The original award-winning mattress that uses renewable soybeans to help create a firm foam for infants and toddlers. Lightweight yet ultra-durable soybean foam-core uses a percentage of natural and renewable soybeans grown by American farmers, providing the right amount of firmness and comfort for infants and toddlers

Feel Good Foam- The foam used throughout is CertiPur-US Certified foam made in the USA. It's made without phthalates, lead, mercury, formaldehyde, PBDES,
