QR Code Link to This Post 98 Dutchmen classic in decent shape but needs a Little TLC, interior is in good shape and has good working slide out, power lift jack, floor is good and solid and roof is in good shape but does look like it may have a small leak up in the front but not really noticeable, outside needs cleaned up and attention to the very front, trim on front has came loose and needs screwed back up and resealed, tires are in great shape, pulls good. Title is a rebuilt title due to storm damage but as you see it is the way I bought it and I have had it inspected and it is ready to roll. Asking \$2,950 OBO serious buyers can call 740-5seven2
