QR Code Link to This Post Approx 5 lbs and UTD on shots. She's not spayed, 5 years old and great with kids and animals. Purchased as a teacup but I believe she's just a regular chihuahua. We don't have papers on her and she's never been bred. She's a cuddle bug and loves attention. She's never been leashed because we have a doggy door. We're moving to a much colder climate and don't feel she'd do well with the snow. LOL She smiles for pictures so we couldn't get any normal looking ones. Minimal rehoming fee of \$100. Serious inquiries only.
