QR Code Link to This Post Dealer quality at half the price. We have 40 combined years exp. It is the busy season but I promise to work with you as fast as possible. While I prefer Toyota's. I am able to do work on ANY make and model. I do from tune ups to repairing windows that wont go up or down, Brakes, alternators, belts, fuel pumps etc. Service fee of \$35 for diagnosis. Fee is waved if I am coming to do a job where you already know the issue. I am located on the south side and easy to talk to. Feel free to contact me to discuss your problems and see if I am right for the job. I do the work for 1/2 the price the dealer charges. Things I will consider for trade a laptop, generator moped etc. I am a fair person and will explain everything to you in detail about your car. No calls after 11pm { } text or call for an appointment. I will try to help you in any way I can. Discounts available if you have something you think may interest me that I may take in trade just ask.. As a mobile Technician I can come to you and save on towing fees and labor. I have the ability to pull OBD 2 eng codes. I can plug tires and do many other jobs, (Please do not contact me to try to sell me services or items. I am not a scamer. I hate those who are!!!! I am a father trying to provide in this tough economy. If you have a quote from a shop or dealer i will cut the price in half or close to it. References are also available. Parts are paid for by you or for a small fee I will go to pull a part if i think its worth getting a used part.. I am a true Tech I do not pull up in a car with a little tool box in the trunk. I have a 3/4 ton van with over \$15,000 worth of tools and equipment. Thank you and god bless. I'm a true technician not a back yard mechanic. Remember you get what you pay for just because others may be cheaper doesn't mean they do it right. If its not fixed right it could cost you your life. Not trying to scare you. I'm just stating reality. Thank you and god
