We have two beautiful Australian Shepherds, they are the best part of our home! I have had dogs my whole life and provide the best care and conditions for my own, I would love to do the same for yours! My husband is in college and only has class 4 hours a day - I come home for an hour in that time frame so your pup would have very minimal time with no human around. We play with our dogs quite frequently and ensure they get good exercise daily. I have 6 reviews on my Rover profile. Check out what my clients had to say: â...â...â...â...â... "Our visit was fantastic, we thank you from the bottom of our hearts, it was so nice to know our babies were safe and so well taken care of! We will definitely use your services again! Thank you!!" --Tera J. "Breanna and her husband are the most loving and caring pet parents. They take their furry kids for long walks and play outside for hours. When they are home, they are rolling on the floor playing and loving all over them. You couldn't ask for a better pet sitter. If I ever needed someone to watch my pets she would be the first person I would call, outside of my family, because I know they will be loved and cared for just as much as if they were her own." --Amanda R.
