QR Code Link to This Post Hi I have a juvenile blood red bearded dragon that I have to get rid of. He's Around 6 months old not exactly sure. I got him from a breeder for 250\$ I know that's a lot so I won't ask that but he comes with a 20x20x12 exo terrarium they're around 170\$ brand new. Also comes with an expensive ass light that was like 100.Re homing fee 250 for everything or best offer I just found out I need to move and I really need the cash in total I spent around 500\$ Or more on the set up so I just want to get atleast half of that if I can it would really help me out. Call or text me
