QR Code Link to This Post Keep Posting the dogs you are breeding for sale, It's against CL policy- ONLY animals with a SMALL rehoming fee. Maybe a \$150 or so. No breeders. No flipping.

If you legitimately have an animal that needs a new home, no worries. But don't think you are getting \$1250. for it. You aren't. That is selling, not rehoming.

You keep flagging us, that's fine. We will keep flagging you. This isn't a place for your.
