QR Code Link to This Post "Gourmet Jazz" features local jazz musicians playing a variety of jazz standards as background music or for dancing. We regularly play at house parties, corporate events, weddings, and monthly at The Marsh in Minnetonka.

Our combos can include piano, bass, drums, tenor sax/flute/clarinet, jazz guitar, female vocals, and trumpet/flugelhorn.

Price depends on size of our combo and how long we'll play, which we can tailor to your event and your budget.

Samples of our music are on www.gourmetjazz.com

To discuss the particulars of your event, reply to this email or the one on our web site and include a phone number where I can contact you.

- Eric
