The room is unfurnished and the room mate would have their own bathroom. The rent includes all utilities and internet/cable but parking is a separate cost if you need one. I am looking for a working professional or mature student and someone mellow that can clean up after themselves and be cooperative. I am a working professional and enjoy just about everything that Hawaii has to offer and I like to come home to a quiet, clean and relaxed chill atmosphere. I enjoy gym, traveling, hiking, cooking and watching movies. If interested please respond to my ad with a similar description about yourself and please ask anything else that you might like to know about me. I will try to reply back if I am interested with my number to set up an appointment to meet up and to view the room and living facilities. The room will become available on the 1st of January.

Mahalo,

Luis
