Looking for a female and male Competitive Volleyball players for this Fall indoor season starting in Jan It ends in early April.

Usually games are 7, 8, and possibly 9pm.

If you go by the volleyball skill chart, you must be a BB level Volleyball player of higher. This means you either played club volleyball or played volleyball on your high school team. If you played College/USAV backgrounds are big pluses!

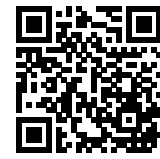

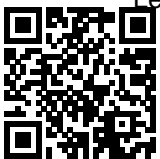

Need a guy with height and/or jumping ability for spiking and blocking. Musty have all around game with defense and passing. OH, MB, OPP would be ideal. At least a BB level VB player, meaning you played Volleyball on your high school team, or club, or USAV.

The female would want to at least pass, serve, play defense, and set good. spiking and blocking are pluses! At least a BB level VB player, meaning you played Volleyball on your high school team, or club, or USAV.

Everyone has either played; hsvb, college or USAV. We play competitively with a recreational attitude. We drink, eat and hangout afterwards!

We are getting BWW as a sponsor for the season. Which will bring down the cost of \$45 for the season. this includes a jersey whatever name, number, and size you want!

Let me know season starts in Jan!
