QR Code Link to This Post We're an up and coming outfitter in the area specializing canoe & kayak adventuring. With two (2) ACA certified guides available we can provide guided trips, training, skill assessments, skill development and also have registered equipment available for rent.

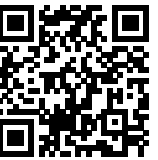

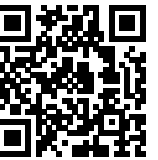

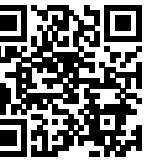

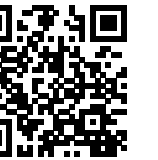

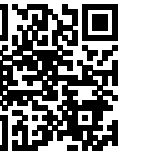

Beyond the official ACA guiding certification we are outdoor enthusiasts that live to be outside and have many hours living under the sun/stars and on the water. You'll have opportunities to learn more about your in the Chicagoland area including, but not limited to survival techniques, fishing, plant-life identification, taking care of and maintaining your rivers/forests/parks and about other opportunities to get "wild" within an hours drive away.

Our guided river trips include, but are not limited to the Fox (Home Base), DuPage and Kishwaukee Rivers. With 4 canoes and 6 kayaks we can accommodate a wide range of groups. Paddles and life vests are also readily available.

Pricing for training, guided trips or custom meetings is negotiable and is dependent on what kind of adventure you want to get on.

All of the boats I have are also available for rent including the six (6) place canoe trailer. Pricing varies for equipment rental depends on your needs!
